

# JORDAN LEGACIES BOOSTER CLUB

It is with great pleasure and honor that I greet you on behalf of Jordan High School's dance team, The Jordan Legacies! This diverse team of thirty-six students is continuing to build upon the groundwork set in the first three years of Jordan High School to inspire school spirit and set a high standard of performance. As you can imagine, The Jordan Legacies have big plans to solidify the foundation they've built during these inaugural years and continue on the legacy that the first members started.

The Jordan Legacies Booster Club was incredibly fortunate to work with many members of the community in the first three years of this program and is hopeful to partner again with the generous businesses in the area surrounding Jordan High School, and beyond, in order to support this program. Building a thriving drill team in the perfect situation is costly and difficult, but the obstacles of funding the start-up of The Jordan Legacies during these unprecedented circumstances would not have been, or continue to be, possible without the generous support of people like you.

It is for this reason that we are asking you to please consider supporting The Jordan Legacies through this booster club. Attached you will find opportunities for sponsorship. Please feel free to contact me with any questions you might have. I will follow up with you regarding your support. Thank you for your consideration.

Sincerely,

**AMY DELARO**
