

JORDAN LEGACIES BOOSTER CLUB

Please allow me to introduce you to the inaugural dance team at Katy ISD'S newest high school, The Jordan Legacies! This diverse team of fifteen students is prepared to pave the way for future students as they seek to inspire school spirit and set a high standard of performance as the first drill team at Jordan High School. As you can imagine, The Jordan Legacies have a big job ahead of them and they would be honored if you joined them in this endeavor.

Given the current state of our country, fundraising as is normally thought of is proving to be challenging. For this reason, The Jordan Legacies Booster Club is hopeful to partner with our community businesses in support of this team. Starting a drill team in the perfect situation is costly and difficult, but the obstacles of funding the start-up of The Jordan Legacies this year are compounded by the current COVID-19 crisis.

It is for this reason that we are asking you to please consider supporting The Jordan Legacies through this booster club. Attached you will find opportunities for sponsorship. Please feel free to contact me with any questions you might have. I will follow up with you regarding your support. Thank you for your consideration.

Sincerely,
